Miss. A. and M. College
May 24, 1898.

To the President and Members of the
Faculty:

We the undersigned, members
of the Sophomore Class do hereby
petition your honorable body to
excuse us from memorizing our
third term addresses. We have
worked very diligently the entire
session, and, as you are aware,
our work this session has been
crowded into the short space of
seven months. The studies in
the Sophomore year are generally
considered the hardest in the
entire course and we have had
to study hard in order to get
through. Besides the hard study-
ing we have to do on the
examinations now before us.
